Note: The printed design of the STIHL guide bars is changed. The change is made successively. During the transition period, both printed designs will occur. Until the complete conversion to the new design, the previous designation will be retained. The part numbers will not be changed.

Colours:

-  Green: Green marks the products which are designed to reduce the risk of kickback injury and to comply with the ANSI B175.1 kickback standard. Those products are recommended for both experienced and inexperienced chain saw users.
-  Yellow: Products marked yellow indicate increased risk of kickback injury and are for use only by persons with extraordinary cutting needs and experience and specialized training for dealing with kickback.
